MLS# 202519453

3 Bedrooms | 3.5 Bathrooms | 1,972 Sqft

Open House Aug 10 2-4. This stunning two story home with almost 2000 sf of above ground living space will make you fall in love at first sight! Totally updated this lovely fresh bright interior offers three generously sized bedrooms and three full baths plus one half bath! The main living room features 16 vaulted ceilings and is open to the beautiful dining room suitable for large dinner parties or family get together! Beyond the dining room is a huge eat-in kitchen with newer stainless steel appliances and a spacious eating area suitable for casual family dining. From the kitchen you can go through the mudroom to the oversized two car garage or relax in the lovely family room with brick fireplace and patio doors to a huge deck and gazebo! This level is completed with a two piece bath and small office. Upstairs is the huge primary bedroom with walk through closet and lovely updated 4 piece ensuite. There are two more generous bedrooms and another bathroom - this one a 5 piece! The basement is full and finished with a three piece bath, huge laundry room and lots of room for a great rumpus room and home theatre! All of this is on a huge pie-shaped fully fenced lot! WOW! Call today to book your showing! Features:
