3 Bedrooms | 1.5 Bathrooms | 1,168 Sqft

Welcome to a wonderful opportunity to bring your vision to life! With 1,168 sqft of space, this 3-bedroom + office/hobby room is filled with potential. The main floor features a spacious living room, a generous dining room perfect for gatherings, and an eat-in kitchen with ample cupboard and counter space. Two comfortable bedrooms sit on the main level, along with a roomy mudroom off the kitchen ideal for staying organized year-round. Step outside to the large backyard where possibilities are endless: BBQs on the deck, garden boxes, a play area, or space for your dog to run. The fantastic garage is a huge bonus! Upstairs offers a versatile area perfect for an office or hobby room and an additional bedroom. The lower level is unspoiled and ready for your ideas. With a newer high-efficiency furnace, updated shingles, many newer windows, and central air, the big-ticket items are already handled. It needs some love, but it's packed with possibility. Make this your home! Features: Dryer, Refrigerator, Stove, Washer, Window Coverings
