5 Bedrooms | 2.5 Bathrooms | 1,620 Sqft

Sprawling 1,620 square foot custom split-level set on an oversized lot just steps from Clearspring Middle School. This thoughtfully designed home blends timeless finishes with everyday functionality. Granite flooring flows through most of the main living spaces, while a formal front foyer and feature staircase create an unforgettable first impression. The in-floor heated main level offers a generous living and dining area overlooking the covered patio, along with a galley kitchen complete with walk-in pantry, built-in appliances, and patio door access to the massive backyard. A convenient two-piece bath is perfect for guests. Upstairs, the spacious primary bedroom is paired with a luxurious five piece bath styled as an ensuite, plus an additional bedroom currently used as a walk-in closet. The fully finished lower level also features in-floor heat, bright oversized windows, three additional bedrooms, a rec room, finished laundry, and a four piece bath. An insulated double attached garage with extra storage is complemented by a single detached garage built in 2019. Shingles and stucco were also updated in 2019. Features: Dishwasher, Garage door opener, Garage door opener remote(s), Microwave, Refrigerator, Water Softener
