Beautifully updated throughout, this charming home sits on a spacious, treed lot in a family-friendly location near all levels of school. Upgrades include: kitchen 2024, flooring 2024, paint, shingles, lighting, bathroom 2025 and furnace 2024. The bright kitchen features modern cabinetry, tiled backsplash, and included appliances, while the dining area and inviting living room offer plenty of natural light. The main floor includes 2 bedrooms plus a den, with the option for the seller to reinstall a door to create a third bedroom. A stylish 4 piece bathroom with tiled shower and luxury vinyl plank flooring complete the level. The fully finished basement offers a versatile rec room, 3 piece bathroom, and ample storage. Outside, enjoy an oversized backyard with patio, maintenance free vinyl siding, and an insulated 33' deep single attached garage. Features: Dishwasher, Dryer, Garage door opener, Garage door opener remote(s), Microwave, Refrigerator, Storage Shed, Stove, Washer
