MLS# 202624044

2,000 Sqft

4 acres with a 2,000 sq. ft. workshop along the highway! This unique property offers an excellent opportunity for market gardeners, microgreens, bedding plants, horticulture, and other agricultural ventures. The well-equipped workshop is set up with a variety of plant-growing equipment, along with a drilled well and reverse osmosis system. The property features an impressive 800-amp electrical service, providing plenty of capacity for a variety of uses. An alarm and surveillance system adds an extra level of security and peace of mind for the property and equipment. A shared driveway approach provides access to the dry, usable lot, which offers a beautiful combination of open space and a mature tree bluff. A versatile property with excellent potential for those looking to grow their business! Features: Storage Shed
